

Think of **GLOBO** as your Automotive Service Valet. You can:

- Access all of your Car Clinic Service & Pre-Repair[®] service records for all your vehicles from a single place! No searching through mounds of paper...how roadtrip-friendly is that!
- Proof of services which substantiate your NAPA and BG Protection Plans or warranty-related services can be accessed from anywhere...just in case you breakdown when you're away from home.
- Make your Car Clinic Service or Pre-Repair[®] appointments on line! Then, just drive in & we'll be expecting you.
- Clip e-coupons exclusive to our e-customers!
- Search our Symptoms database to help you best communicate with Bryan & Matt at the service desk!
- Add to the resale value of your vehicle by presenting your service records to the perspective buyer...or present records at trade-in for "certified vehicle" status (higher value)!
- Easily complete Customer Satisfaction Surveys so that we can serve you even better!

How to use **GLOBO** basics:

- Go to www.CarClinicService.com. First, click through the links in **#1**. We'll share all sorts of information about Car Clinic Service/Pre-Repair[®], plus you'll find a special on-line Special (click on "Promotion").
- Take a look at **#2**. This is where your **GLOBO** Valet Services begin. Check out Symptoms & Tips and Tricks for some terrific general information about your vehicle.
- The Schedule Service button at **#3** now allows you to book a service or Pre-Repair[®] procedure on-line. We'll send you an automatic confirmation.
- Last, click on "My Car" (**#4**) and the "Secured Login" screen **#5** will appear. Enter your Email Address as the Login ID & key in the Password that you'll receive in a Thank You email from us. You can change this initial Password under "Modify User Info" once you're in your GLOBO for the first time.

Resources For Your Vehicle

Your next scheduled maintenance service is at 207500 miles/km. Click below to see the detailed maintenance checklist and procedures for this vehicle at 207500 miles/km:

Maintenance Checklist

Search Service History

Please select the month, year and the repository to search for the current vehicle:

All Month All Year

Search History

- **#6** displays your current address & phone number based on your last invoice.
- The Control Panel is found at **#7**. You can change the info at **#6** by clicking on "Modify User Info." You can add a new vehicle or delete a vehicle (if you sell it, trade it, etc.)...and you can Schedule an Appointment day or night!
- Your vehicles' information is located at **#8**. The drop-down button displays the list of all the vehicles in your **GLOBO** & allows you to "Select the Vehicle" whose service records you'd like to view. Fleet vehicles can be searched by license plate, VIN or asset number (if assigned).
- At **#9**, you can Modify Vehicle Info (e.g., license, color, normal/severe driving condition).
- And finally at **#10** (Search Service History), you can view the service history of the vehicle you chose under "Select Vehicle" at **#8**. At **#10**, choose a date range or select "All" in both month & year to see the entire diary.

Happy **GLOBO**ing!
